

Cover Letter

Respected sir/madam

Date : 20/12/25

My name is Chetan Jadhav and I saw an advertised on LinkedIn. You have vacancies for the position of software developer in your company, cisco.

I am currently a student at Mit academy of engineering pune and have strong interest in software development and computer technology. I have basic knowledge of programming languages such as C, Python and Html along with I have experience of 3 months summer internship of Cisco and Infosys. I also participate in many codeing competition like smart India hackathon. Apart from that I have different skills like communication , leadership, Teamwork.

During my studies , I have completed small projects and practical assignments that helped me develop problem solving skills and logical thinking. I am quick learner, hardworking , and motivated to work in professional environment. I believe that cisco will provide me with an excellent opportunity to grow my skills and gain real world experience.

I would be grateful for the opportunity to contribute to your organization and learn from your experienced team. please find my resume attached for your review. I look forward to hearing from you

Thank you
Chetan Jadhav
